CORAM : V.C.DAGA, J.

DATED : 20.3.2006.

P.C. :

. Heard learned Counsel for the petitioners.

. No relief with retrospective effect was granted by the Courts below considering delayed filing of the complaint.

. The complaint was delayed by more than 4 years. Persons likely to be affected by the impugnesd order, (if it is given retrospective effect) were not made parties to the complaint.

. In the above view of the matter, the sole contention raised by the petitioner that the relief granted in the impugned order ought to have been granted with retrospective effect cannot be accepted.

. Petition, is, devoid of any substance. The view taken by the Court below is a reasonable and possible view in the facts and circumstanmces of the case. Petition is thus, dismisssed in limine with no order as to costs.
